Before you sit down

Every head is read before it is cut. Use this book to find the words, then let your barber decide what suits your head shape.

I

Pick a style by length, or start from a house favourite.

II

Choose the sides and the neckline from the drawings.

III

Show the barber. They will read your head and fine-tune it.

HOUSE FAVOURITES

A swept side part with no pomp, tapered down to mid-length on the sides and back.

Usually paired with: Taper fade, Taper

The style, *by length*

Measured on top. Shorter styles keep their shape longest; longer ones need more styling at home.

SHORTER

Jarhead
Clipper-short on top, sides taken right down.

Flat Top
The top cut flat and square, like a deck.

Buzz Cut
One clipper length all over.

SHORT

French Crop
Short, textured top with a blunt fringe.

Crew Cut
Short top graduating from front to crown.

Faux Hawk
A longer centre strip pushed up and forward.

Scumbag Boogie
A pompadour with a hard side part.

Caesar Cut
Even length brushed forward to a straight fringe.

Spike
Short top styled up into points.

Flat Top Boogie
A flat top with extra length and shape.

MEDIUM

Classic Haircut
Scissor-cut, neat all round, parted or not.

Center Part
Parted down the middle, falling to both sides.

Pompadour
Swept up and back with height at the front.

Jelly Roll
A tall rolled front in the rockabilly style.

Executive Contour
A side part with no pomp, tapered sides.

Side Part
Combed to one side from a clean parting.

Comb Over
Combed across from a low side parting.

Slick Back
Combed straight back with a wet or matte finish.

Psychobilly
A dramatic wedge of length over shaved sides.

Longer, *and the details*

LONG

The Flop
Long on top, falling loosely to one side.

Quiff
Volume at the front, textured and hand-swept.

Fringe
Length brought forward over the forehead.

Shaggy
Loose, choppy layers all over.

Layered Undercut
Layered length on top over short sides.

Two Block
A longer top over short sides, with no fade between.

Emo
A long fringe swept across one eye.

Layered
Even layers for movement without bulk.

LONGER

Swipe Side
Long length swept to one side.

Man Bun
Long hair tied up at the back of the head.

Mullet
Short at the front and sides, long at the back.

Top Knot
Long top tied high, often over short sides.

DETAILS

Hard Part
A parting shaved in with the razor for a sharp line.

Pompadour
Height swept back in a full rounded curve.

Pullback Pom
Height angled back from the forehead.

Hair Tattoo
A design cut into the fade. Gentology's hair tattoo starts from IDR 60k.

Wedge Pom
Height pushed straight up, flat at the front.

The sides *& the neckline*

Where the fade starts changes the whole cut. Ask for one of these by name.

SIDES

Low fade

Starts just above the ear. Subtle, office-friendly.

Mid fade

Starts around the temple. The everyday favourite.

High fade

Starts high on the head for a sharp contrast.

Drop fade

Curves down behind the ear towards the nape.

Temple taper

Faded only at the temples and around the ear.

Taper

Length kept, only the edges faded at the bottom.

NECKLINE

Blocked

A straight, squared-off line.

Rounded

Square, with the corners softened.

Tapered

Fades out naturally into the skin.

Tapered nape

A clean line with the nape faded below.

V-shaped

Cut to a point at the centre of the nape.
